FO-47DR	Drum Cartridge	\$71	N/A
FO-50ND	Toner / Developer Cartridge	\$92	N/A

Includes initial startup supplies with the following yields: approximately 2,000 copies for the Toner/ Developer and 18,000 copies for the Drum

TERMS AND CONDITIONS

I. Equipment Installations Outside the DC Metropolitan Area

a. Delivery and Installation:

- Sharp will ship the customer CSF-500 secure FAX directly to the end user customer.
- Customer self installs product with assistance from Sharp if required. Government customers requiring assistance can call 703-313-9108 or 703-313-9109 for installation support available (8:30 AM to 5 PM - EST).
- Included within the shipping container are instructions on how to install the product along with instructions on where to call if assistance is required.

b. Warranty and On-Going Maintenance:

- Should a problem occur during the **1 Year** warranty period or while the unit is under an extended service agreement the customer should call 703-313-9108 or 703-313-9109 for support available (8:30 AM to 5 PM - EST).
- The Sharp Technical Support Center will help the customer correct the problem over the phone or instruct the customer to ship the secure FAX board or the entire unit to the Sharp DC repair facility. If the entire unit needs to be shipped, Sharp will ship the customer a box for return shipment of the unit.
- The customer will pay for the shipment to the Sharp servicing facility; Sharp will pay for the return shipment to the customer.
- Prior to the customer shipping the equipment to Sharp a return authorization number must be obtained by the customer from Sharp. No equipment will be accepted without a return authorization number.
- Defective equipment will normally be repaired within 14 days after receipt of the equipment by the Sharp servicing center. Sharp will make best efforts to repair and return the equipment as rapidly as possible.

II. Equipment Installations Inside the DC Metropolitan Area

a. Delivery and Installation:

The Sharp DC service personnel will physically install the CSF-500 secure FAX at the customers location and train the customer on the operation of the equipment.

b. Warranty and On-Going Maintenance:

- Should a problem occur during the **1 Year** warranty period or during an extended warranty (under a Maintenance Agreement) the customer should call 703-313-9108 or 703-313-9109 for support available (8:30 AM to 5 PM - EST).
- The Sharp Technical Support Center will either correct the problem or contact the Sharp service department in order to service the equipment on site.

III. All other terms and conditions of Sharp's GSA Contract #GS-35F-0657K apply
